

Digital Wooden Podium

Engineered to Lead. Designed to Impress.

Digital Podium 200

Overview

The Ordain OS-WP-201 Digital Wooden Podium is a state-of-the-art multimedia presentation solution crafted from premium quality rubber wood. Designed for modern classrooms, conference rooms, and auditoriums, it seamlessly integrates traditional craftsmanship with advanced technology.

The centerpiece of this free-standing podium is a 21.5-inch Capacitive Touch LED monitor mounted on top, providing lecturers and speakers with intuitive, fingertip control over their presentations. Featuring customizable front branding and ample secure storage for AV equipment, the OS-WP-201 is the ultimate all-in-one speaking platform for professional environments.
