

Digital Wooden Podium

Crafted for Presence. Designed for Function.

Digital Podium 100

Overview

The Ordain Wooden Podium OS-WP-101 is a premium presentation solution that combines classic elegance with modern functionality. Expertly crafted from high-quality Teak and Rubber Wood, this podium serves as a commanding centerpiece for auditoriums, conference halls, and lecture theatres.

Designed with the presenter in mind, it features a thoughtful layout including dedicated drawers for accessories and peripherals, as well as an internal rack for essential AV equipment like PCs and amplifiers. Its adjustable height profile and integrated connectivity options ensure a seamless and professional speaking experience, allowing you to focus entirely on your audience.
