

Equipment Rack

Professional Grade Perfect Finish

Floor Standing Rack

Overview

The Ordain Floor Standing Rack is a high-quality rack cabinet designed for professional Networking and Audio-Visual applications. Engineered for durability, this series is constructed from 1.2 mm steel, ensuring a rigid and secure environment for critical infrastructure.

The unit features a lockable toughened glass MS front door that balances security with visibility. Designed with precision, it includes mounting rails with clear "U" markings to simplify equipment installation. To ensure optimal performance, the rack offers 2 or 4 fan mounting provisions and sufficient perforation for ventilation.

Features

- **Heavy-Duty Build:** Made of 1.2 mm high-quality metal sheet with 1.6 mm mounting angles.
- **Superior Cooling:** Features a top-mounted option for 2 or 4 cooling fans and adequate ventilation perforation to maintain airflow.
- **Removable side panels:** (varying by size) for easy maintenance.
- **Cable entry provisions:** at both the top and bottom for organized wiring.
- **Premium Finish:** Treated with a 7-process pre-treated powder coating for long-lasting durability. Available in RAL-7035 Grey or Black.
- **Versatile Options:** Perforated front and rear doors are also available.

Technical Specifications

Specification	Details
