

# Cable Cubby

Professional Grade Perfect Finish

## Table Top Hydraulic Pop-Up Box

### Overview

The Ordain Cable Cubby (OS-CC101) is a sophisticated tabletop connectivity solution designed to declutter modern workspaces and presentation environments. Featuring a smart hydraulic flip-open mechanism, this unit provides seamless access to power, audio, video, and data connections at the touch of a button.

Ideally suited for office furniture, conference tables, and auditorium stages, the OS-CC101 integrates high-grade metal construction with a sleek black finish. It eliminates cable clutter by consolidating essential ports into a single, elegant pop-up box, ensuring your workspace remains professional and organized while keeping devices connected.+3

### Features

- **Hydraulic Pop-Up Mechanism:** Equipped with a smooth, pneumatic hydraulic system that opens the cover quietly and elegantly, revealing the interface panel.
- **Comprehensive Connectivity:** A "10 Module" capacity unit that supports a wide range of connections including HDMI, VGA, LAN, USB, and Power, allowing for simultaneous video transmission, internet access, and device charging.
- **Robust Build Quality:** Constructed from high-grade iron and metal, ensuring durability and resistance to wear in high-traffic meeting rooms.
- **Sleek Aesthetics:** Finished in a professional Black colour, designed to blend seamlessly with modern office interiors and high-end furniture.
- **Plug & Play:** Pre-wired for easy installation, making it perfect for quick setup in boardrooms and command centres.
- **Versatile Installation:** User-friendly design suitable for both temporary and permanent setups.
