

# Floor Box

Professional Grade Perfect Finish

## Modular Floor Box with 8 socket holders

OS-MFB602

### Overview

The Ordain Floor Box (OS-MFB602) is a comprehensive connectivity solution designed to provide maximum flexibility for modern infrastructure. Engineered as a "one box solution", this unit is capable of handling diverse power and data requirements in a single enclosure.

Featuring a high capacity of 8 socket holders, the OS-MFB602 offers a fully customized user experience, allowing for tailored configurations to suit specific project needs. It is specifically designed to support raised floor structures, making it the ideal choice for commercial offices, data centers, and control rooms where efficient cable management and accessibility are critical.

### Technical Specifications

Specification	Details
Model	OS-MFB602
Socket Capacity	8 Socket Holders
Frame Lid Recess	8 mm
Plug Top Clearance	13 - 48 mm
Product Weight	2.5 Kg
Shipping Weight	3.0 Kg

### Dimensions & Installation Details

Dimension Type	Measurement
Overall Frame & Lid	328 X 230 mm
Floor Cut Out Required	315 X 218 mm
Floor Box Depth	100 mm
Accessories Plates	177 X 90 mm
Shipping Dimensions	360 X 260 X 120 mm (L X W X H)

### Features

- **High Capacity Configuration:** Comes equipped with 8 socket holders, providing ample space for power, data, and AV connections in one centralized location.
- **Raised Floor Compatibility:** Specifically engineered to integrate seamlessly into raised floor environments, maintaining the structural integrity and aesthetics of the flooring.
- **Versatile "One Box" Solution:** Designed to adapt to many different applications, reducing the complexity of specifying multiple different units for a single project.
- **Adjustable Clearance:** Features a plug top clearance of 13-48mm, accommodating various plug sizes while ensuring the lid closes flush.
- **Heavy-Duty Build:** With a product weight of 2.5 Kg, the unit offers a robust and stable installation
