

# Display Mounts

Elevated Engineering. Uncompromised Strength.

## Premium Video Wall Mount

### Overview

The Ordain OS-VWM-322 is a premium video wall solution designed to create seamless, high-impact digital signage displays. Engineered for professional environments, this mount supports flat panel TVs ranging from 45" to 70" with a substantial weight capacity of 70kg (154lbs) per screen.

This mount features an innovative Pop-Out Extension mechanism, providing quick and easy access to the rear of the display for installation and maintenance without disrupting the video wall configuration. With precise height and depth adjustments, the OS-VWM-322 ensures flawless alignment for a continuous, uninterrupted visual experience.

### Features

- **Pop-Out Extension:** Allows the screen to pop out for quick access to cables and rear connections, simplifying maintenance.
- **Precision Display Alignment:** Features fine adjustments for height (25mm) and depth (20mm), ensuring seamless alignment between multiple screens.
- **Quick-Release Latch:** Securely locks the display in place and allows for easy unlocking when access is required.
- **Robust Security:** Includes an Anti-Theft Locking Hole (requires extra padlock) to prevent unauthorized removal, and a Pop-Out Lock System to ensure safety by reducing accidental pop-outs.
- **Heavy-Duty Build:** Constructed from 2mm cold-rolled steel with a durable powder coating, tested to hold 4 times its rated weight.
- **Versatile Positioning:** Offers a tilt range of +4° to -2° and screen level adjustment of +3° to -3° for perfect viewing angles.
