

Display Ceiling Mounts

Elevated Engineering. Uncompromised Strength.

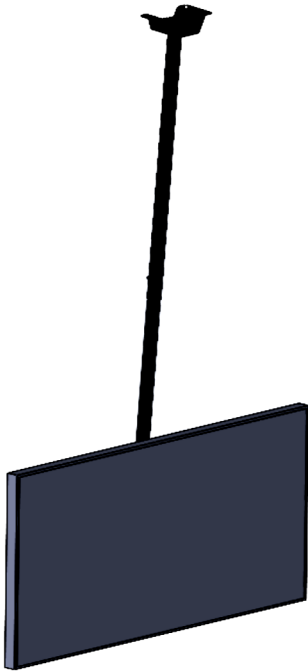

Heavy-Duty TV Ceiling Mount for 43"- 65" Displays

Overview

The Ordain OS-CMK-D43-65 is a robust single-screen ceiling mount designed to maximize viewing flexibility in commercial and public environments. Engineered for heavy-duty performance, this mount offers exceptional versatility and universal compatibility for displays ranging from 43 to 65 inches.

Ideal for high-traffic areas such as supermarkets, airports, restaurants, and conference centres, the OS-CMK-D43-65 combines a durable steel construction with a compact design. It features telescoping height adjustment and free-tilting capabilities, ensuring the optimal viewing angle while minimizing glare. With easy assembly and integrated cable management, it delivers a clean, professional installation that enhances the user experience.

Features

- **Telescoping Height Adjustment:** Allows for precise vertical positioning to achieve the optimal viewing height for any environment.
- **Free-Tilting Design:** Provides easy angle adjustment to improve viewing comfort and significantly reduce screen glare from overhead lighting.
- **Heavy-Duty Construction:** Built with a "Standard" rank heavy-duty frame and finished with a fine texture black powder coating for long-lasting durability.
- **Universal Compatibility:** Supports a wide range of VESA patterns, making it compatible with all standard screens from 43" to 65".
- **Integrated Cable Management:** Designed to keep cables organized and hidden, maintaining a clean and professional look.
- **Levelling Adjustment:** Features post-installation levelling adjustments to ensure the TV is perfectly positioned after hanging.
