

# Display Ceiling Mounts

Elevated Engineering. Uncompromised Strength.

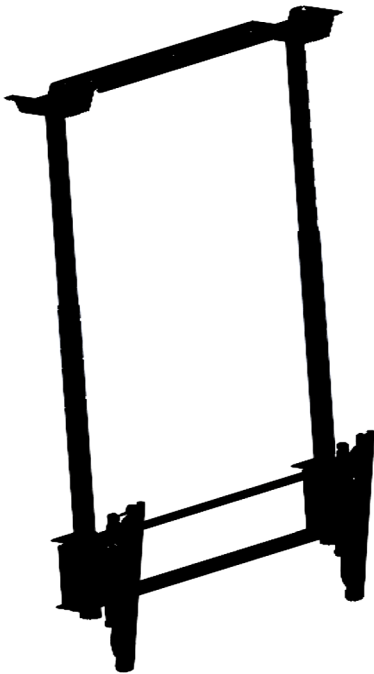

## Heavy-Duty TV Ceiling Mount for 98" Displays

### Overview

The Ordain OS-CMK-D98 is an ultra-heavy-duty ceiling mount designed specifically for massive large-format displays up to 98 inches. Engineered to deliver maximum viewing flexibility and safety, this mount is the ultimate solution for high-impact digital signage and presentation displays in spacious commercial environments.

Built with a focus on strength and reliability, the unit features a heavy-duty construction capable of supporting the substantial weight of 98-inch screens. It is ideal for installation in supermarkets, airports, restaurants, and conference centres. The design includes a telescoping pole for height adjustment and a free-tilting mechanism to minimize glare, ensuring an exceptional viewing experience from any angle.

### Features

- **Massive Screen Support:** specifically designed to securely mount extra-large displays up to 98 inches.
- **Telescoping Height Adjustment:** Allows for precise vertical positioning to achieve the optimal viewing height for the venue.
- **Free-Tilting Design:** Makes adjusting the screen angle easy, helping to reduce glare from overhead lighting and improve audience visibility.
- **Post-Installation Levelling:** Features levelling adjustments that allow the TV to be perfectly positioned and balanced even after hanging.
- **Cable Management:** Integrated channels keep cables organized and hidden for a clean, professional aesthetic.
- **Universal Compatibility:** Supports VESA and Universal mounting patterns to fit a wide variety of display brands.
