## Outdoor Kiosk Display

### Overview

The Ordain DS-OK55 is a rugged, high-performance outdoor digital signage solution designed to deliver clear, vibrant messaging in any environment. Engineered specifically for outdoor use, this 55-inch kiosk features an ultra-bright display and robust weather resistance, making it the ideal platform for wayfinding, event schedules, and public information at universities, sports venues, and corporate campuses.

Unlike standard displays, the DS-OK55 boasts a brightness of 3000 cd/m<sup>2</sup>, ensuring excellent visibility even under direct sunlight. Powered by Android 9.0, it provides a reliable, non-interactive media player experience that operates efficiently in extreme temperatures ranging from -25°C to 45°C.
